## ORION & Nachhaltigkeit

ORION-Leuchten sollen über lange Zeit Freude bereiten. Deshalb sind ORION-Produkte so konzipiert, dass Ersatzteile auch über die Gewährleistungspflicht hinaus verfügbar sind. Fragen Sie dazu Ihre/n ORION-BeraterIn! Auch im Falle eines Defekts bei LED-Leuchten von ORION können alle Module (Driver, LED) von einem Techniker auch nach einigen Jahren noch ausgetauscht werden. ORION stemmt sich gegen die Wegwerfmentalität und versichert, dass alle Leuchten für eine lange Lebensdauer ausgerichtet sind.

## ORION & sustainability

ORION lights will bring you joy for many years. Therefore, replacement parts are available for a long time, even longer than usual warranty periods. Please contact your ORION vendor. Also for ORION's LED-lights all parts (Driver, LED) are replaceable. You may contact the ORION technician support for further assistance. We at ORION are against the throwaway society and thus make sure that our lights and lamps are produced for a long life expectancy.

Wir erweitern laufend unser Programm, aktuelle Infos erhalten Sie auf unserer Homepage. We are constantly expanding our program, current information can be found on our homepage.
